WHY THIS IS A GOOD IDEA

Millions of people in the UK are owed money by HM Revenue & Customs and are unaware of their situation! There could be many in your organisation. Estimates indicate that 1 in 3 taxpayers have paid too much in the last 6 years - the time limit for making claims. Refunds Direct are offering to investigate and return this money to them at no cost or effort to you. As a retrospective check the service compliments your existing pay roll function, queries regarding previous employments and tax affairs will be dealt with by us. The result? A simple way to display your duty of care commitment.
